

## Tutorial Read Me

### Tutorial Errors

Errors such as spelling mistakes, incorrect grammar and layout problems should be reported to iDevGames. Source code questions and problems should be directed to the author(s) of the tutorial.

### Suggestions

If you would like to offer advice or comment on this tutorial for a revision, please contact the author directly.

### Using the Code

If this tutorial includes source code, we hope that you will use it to improve or create new Macintosh games. It is not necessary to acknowledge iDevGames, or the author in your products, but we would be grateful if you did so.

### Missing Links

The Links provided in this tutorial were active at the time of publication. However, due to the nature of the Internet, some Links may change or point to missing pages. If you encounter any such problems, please report the error(s) to :  
[editor@idevgames.com](mailto:editor@idevgames.com)

### Adding Links

We have tried to include several links for each topic. If you are a webmaster, and you feel your site should be included with this Tutorial, please let us know.

### Using the Assets

If this Tutorial includes any Game Assets (i.e. sounds, sprites, tiles, textures, etc.), please refer to the author on their copyright status.

### Submitting your Tutorial

iDevGames is interested in game development and design tutorials for the Macintosh platform. Your tutorial can cover any aspect of game creation and any level, from newbie to guru. Please check our web site for a writer's kit for submission of your tutorial.

### Further Help

If you have any further questions or comments, please visit the forum at  
<http://www.idevgames.com/forum/>

### Copyright Issues
